26 IT IS THEREFORE ORDERED, pursuant to 18 U.S.C. § 3123, that Homeland Security  
27 Investigations and the U.S. Marshals Service may install and use a pen-trap device to record, decode,  
28 and/or capture dialing, routing, addressing, and signaling information associated with each

1 communication to or from the **TARGET PHONES** described in Attachment A1 and A2, including the  
2 date, time, and duration of the communication, and the following, without geographic limit:

- 3       ▪ Source and destination telephone numbers;

5       MMS messages with an email account; and
- 6       ▪ Any unique identifiers associated with the cell phone device or devices used to make and  
7       receive calls with the **TARGET PHONES** described in Attachment A, or to send or  
8       receive other electronic communications, including the ESN, MEIN, IMSI, IMEI, SIM,  
9       MSISDN, or MIN.

10       IT IS FURTHER ORDERED, pursuant to 18 U.S.C. § 3123(c)(1), that the use and installation of  
11 the foregoing is authorized for sixty days from the date of this Order;

12       IT IS FURTHER ORDERED, pursuant to 18 U.S.C. §§ 3123(b)(2) and 3124(a)-(b), that the  
13 service provider and any other person or entity providing wire or electronic communication service in  
14 the United States whose assistance may, pursuant to 18 U.S.C. § 3123(a), facilitate the execution of this  
15 Order shall, upon service of this Order, furnish information, facilities, and technical assistance necessary  
16 to install the pen-trap devices, including installation and operation of the pen-trap devices unobtrusively  
17 and with minimum disruption of normal service;

18       IT IS FURTHER ORDERED that Homeland Security Investigations and the U.S. Marshals  
19 Service reasonably compensate the service provider and any other person or entity whose assistance  
20 facilitates execution of this Order for reasonable expenses incurred in complying with this Order;

21       IT IS FURTHER ORDERED that the service provider and any other person or entity whose  
22 assistance may facilitate execution of this Order notify the applicant and Homeland Security  
23 Investigations and the U.S. Marshals Service of any changes relating to the **TARGET PHONES**  
24 described in Attachment A1 and A2, including changes to subscriber information, and to provide prior  
25 notice to Homeland Security Investigations and the U.S. Marshals Service before terminating or  
26 changing service to the cell phone number;

27       IT IS FURTHER ORDERED that Homeland Security Investigations and the U.S. Marshals  
28 Service and the applicant have access to the information collected by the pen-trap devices as soon as

1 practicable, twenty-four hours per day, or at such other times as may be acceptable to Homeland  
2 Security Investigations and the U.S. Marshals Service, for the duration of the Order;

3 IT IS FURTHER ORDERED, pursuant to 18 U.S.C. § 3123(d)(2), that the service provider and  
4 any other person or entity whose assistance facilitates execution of this Order, and their agents and  
5 employees, shall not disclose in any manner, directly or indirectly, by any action or inaction, the  
6 existence of the application and this Order, the pen-trap devices, or the investigation to any person,  
7 unless and until otherwise ordered by the Court, except that the service provider may disclose this Order  
8 to an attorney for the service provider for the purpose of receiving legal advice;

9 IT IS FURTHER ORDERED that the Clerk of the Court shall provide the United States  
10 Attorney's Office with three certified copies of this application and Order, and shall provide copies of  
11 this Order to Homeland Security Investigations and the U.S. Marshals Service and the service provider

13 IT IS FURTHER ORDERED that the application and this Order are sealed until otherwise  
14 ordered by the Court, pursuant to 18 U.S.C. § 3123(d)(1).
